

## **Other Activities**

## Other Relevant Activities - Eval. Criterion 5.3 of the Call

### Management & Coordination Roles - Eval. Criterion 5.3.1 of the Call

Period	Role	Unit/Institution	Details/Link
Since April 2025	Coordinator	Environmental Genomics Laboratory (EnGeL-UC), UC Biotech, University of Coimbra	<a href="https://cfe.uc.pt/laboratorios-servicos/environmental-genomics-lab/">https://cfe.uc.pt/laboratorios-servicos/environmental-genomics-lab/</a>
Since January 2024	Co-coordinator	Soil Health Research Line, Centre for Functional Ecology (CFE), University of Coimbra	<a href="https://cfe.uc.pt/grupos-de-investigacao/saude-do-solo/">https://cfe.uc.pt/grupos-de-investigacao/saude-do-solo/</a>
Since November 2023	Co-coordinator	Thematic Line 2 – Sustainable Agriculture, Forestry and Fisheries, LabTerra – Laboratory for Land Use Sustainability and Ecosystem Services	<a href="https://labterra.pt/linhas-tematicas/">https://labterra.pt/linhas-tematicas/</a>

### External Services

Period	Client	Service Provided	Value/Conditions
Since 2024	Monte Silveira	Consultancy and analysis of microarthropod communities in agricultural production areas using classical and molecular marker-based methods	Annual, €6,500 (+ VAT)
Since 2024	Quinta da Cholda	Consultancy on soil biodiversity assessment and ecosystem services between crops under conventional management with direct seeding	Annual, approx. €50,000 (+ VAT)
Since 2024	COTHN – National Horticultural Operational and Technological Center	Consultancy and analysis of microarthropod communities in agricultural production areas using classical and molecular marker-based methods	Annual, €5,000 (+ VAT)
Since 2023	CloverStrategy	Consultancy on the genetic diversity assessment of cultures of organisms used in ecotoxicological tests	Every 2 years, €3,000–4,000 (+ VAT) per service
