

CV Highlights

Education

- PhD in Molecular and Cellular Biology — focus on genetics, genomics, and computational biology.
- Continued education in bioinformatics, statistics, and advanced molecular methods.

Distinctions & Memberships

- Research funding contributions > **€36 M** (PI/Co-I/Researcher).
- Collaborations with EMBRAPA (Brazil), Cardiff University (UK), and University of Coimbra (PT).

Career (Professional Experience)

Category	Position / Title	Institution / Location	Period
Career Profes- sion	Associate Researcher	University of Coimbra, Portugal	2019 – to- day
Career Profes- sion	Lecturer in Ecology	University of South Wales, UK	2018 –
Career Profes- sion	Marie Curie Fellow	Cardiff University, UK & EMBRAPA-Florestas, Brazil	2015 – 2018
Career Profes- sion	Research Associate, School of Biosciences	Cardiff University, UK	2012 –
Career Profes- sion	Teaching Assistant (Animal Anatomy and Histology; Histological Techniques; Ecotoxicology)	Universidade dos Açores, Portugal	2015 2008 –
Career Profes- sion	Intern – Section of Zoological Anatomy & Taxonomy (SATZ), Histology & Histochemistry, Ecotoxicology of volcanic emissions	Universidade dos Açores, Portugal	2012 2007 –
Career Profes- sion	Intern – XIII Scientific Expedition to Flores & Corvo Islands (Marine & Terrestrial Invertebrate Ecology, Scuba Sampling)	Azores, Portugal	2008 2007

Category	Position / Title	Institution / Location	Period
Career Profession	Intern – Shellfish Husbandry, Ecology & Larval Physiology (Ornamental Shrimps)	Universidad Autónoma de México (UNAM), Sisal, Mexico	2005
